Tithe.ly Giving

We are excited to announce that we are transitioning to a new online giving application...**Tithe.ly**. We are asking all our electronic givers to create an account and begin using the new **Tithe.ly** giving before December. The current [PushPay giving and church app will be disabled on December 8th](#) and we will no longer have access to PushPay.

Tithe.ly is similar to our current giving site and is very easy to use. Click the button below to set up your new account with **Tithe.ly** today. If you need assistance, contact Angie Arnold at the church office.

During this time of transition, you may continue to use the current giving with PushPay from our website and within the church app. However, we highly encourage you to set up your new account with **Tithe.ly** before December 8th.

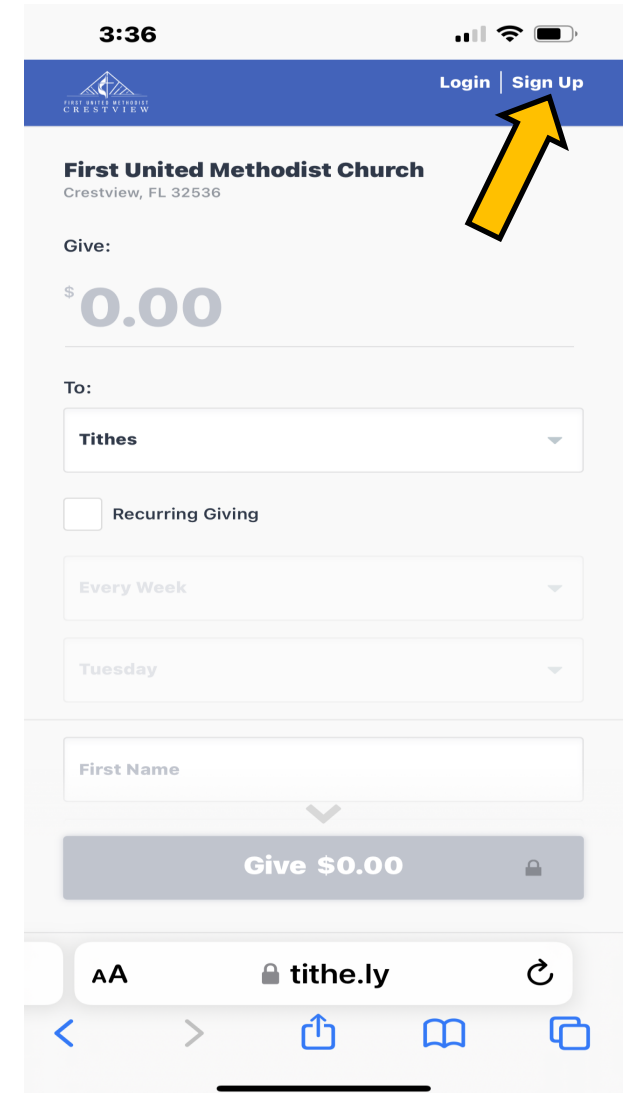

We will be launching the new church app in the upcoming weeks. So be on the lookout for the new church app. *You may continue using the current church app until December 8th.*

We appreciate your patience during this transition time
