**Discernment**

**Speechless**

My dear church family,  
Melanie and I have been overwhelmed by your generosity, your kindness and your expressions of love and support during Pastor Appreciation month.

Our cup is running over!  
Thank you so much for your love and for being such a wonderful church family.

**Special Thanksgiving Service**

The ministerial association of Crestview will host a city-wide Thanksgiving worship service on November 20 at 6 pm. The service will be held at our neighboring church, Woodlawn Baptist. Leon Curenton will be playing music, Kevin Lusk leading a community Choir, I will be leading Holy Communion, and other pastors will have other roles. We hope you can come and join us.

**Disaffiliation Update**

Our next Townhall will be held on Sunday, Oct. 30 at 3 pm in the Main Sanctuary. The Long Range Planning Committee has been given the task of proposing a plan should our church choose to disaffiliate from the UMC. That committee will lead this meeting and share their ideas, research and proposal as regards a future Methodist denomination.

Also remember, that our Long Range Planning Committee is soliciting suggestions from you, if we disaffiliate, as to what name our church should adopt and a new or revised logo. There are brown suggestion boxes located on the ledge at the main office and at the welcome center in the Crossroads Center. Several suggestions have been made (thank you). Please keep them coming.

I wanted to address an issue that has come up in various conversations and in our committee meeting. It seems there is some confusion as to the meaning of the word "denomination." We have discovered that when some folks here that "our church may possibly leave the United Methodist Church and join a new denomination", they fear we might become Baptist, for example (with all due respect to our Baptist friends whom we love). May I put your mind at ease. We have been Methodist since our founding over 100 years ago and I know of no one who is proposing that we cease being Methodist. It is who we are.

Disaffiliation is not about ceasing to be Methodist, it is about ceasing to be United Methodist. The only question our committee has been researching is to which new Methodist group should we join? The Long Range Planning Committee will share the results of their research on Oct 30.

I have also been asked to share the members of the committee because some people are very hesitant to speak in front of a large group in a Townhall. Thus, if you want to share ideas and opinions one-on-one, here is the committee: Aimee Keller, Angie Woodward, Bob Allen, Dan Taylor, Eileen Kurtz, Jennifer Raiche, Melanie Zick, Mike Roy, Mike Steen, Nell Sutherland, Sara Fordyce, Scott Salberg, Sharon Steen, Tiffany Kruger, Viki Luster, and Walt Harkness.

This is a wonderful group representing a good cross-section of our church. I want to thank the committee for their many long hours that they have already put into this process.

Also, there is a lot of information related to Disaffiliation on our website. You can find info from our previous three Townhall meetings, as well as plenty of research both for and against Disaffiliation. Check it out at: <https://fumcrestview.com/new-page-3>

The October 30 Townhall should be our last Townhall meeting this year so I hope many of you will attend. The next should be sometime possibly in January.

And as always, remember:

- *Listen*. Each one who wants to share should be respected and heard. We should be patient with each other.
- *Share*. You yourself should consider sharing your views. You never know who else is thinking exactly as you. It is in the sharing that people get a sense of the overall leading of the congregation.
- *Love*. As has been pointed out in previous meetings, our church has had differences in the past. Our goal is to move through this time in a spirit of respectful love.

"My hope is built on nothing less  
Than Jesus blood and righteousness."

-*Pastor Ronnie*

### **New Church App & Electronic Giving**

We are excited to announce that we are transitioning to a new online giving application...

**Tithe.ly**. We are asking all our electronic givers to create an account and begin using the new **Tithe.ly** giving now. The current **PushPay giving and church app will be disabled on December 8th** and we will no longer have access to PushPay.

**Tithe.ly** is similar to our current giving site and is very easy to use. Click the button below to set up your new account with **Tithe.ly** today. If you need assistance, contact Angie Arnold at the church office.

Tithe.ly giving

**\*USE THIS LINK (or the link from fumcrestview.com)- do not go to tithely.com to register.**

During this time of transition, you may continue to use the current giving with PushPay from our website and within the church app. However, we highly encourage you to set up your new account with **Tithe.ly** before December 8th.

We will be launching the new church app in the upcoming weeks. So be on the lookout for the new church app. *You may continue using the current church app until December 8th.*

We appreciate your patience during this transition time and thank you for your continued support through your giving. If you have any questions, contact Angie Arnold at the church office.

Thank you, Miss Angela, for creating such a wonderful experience for our Wesleyan students.

## FUMC Youth

Even though 2022 has flown by, the youth have enjoyed every moment that we have gotten to spend together throughout the year. At the end of September, we hosted a Friday-night Lock-in where almost all of our youth gathered to play games, eat pizza, and celebrate our Lord. We ended the night by watching The Chosen, a beautiful show about the life of Jesus Christ.

In the past month, we have transitioned from our weekly readings in Genesis to the Gospel of John. We are already one-third of the way through and expect to be finished sometime in February. The youth are asking many good questions and are staying focused on the scripture. It warms my heart to see a group of kids so interested and in tune with the Word of God!

November is a huge month for our youth program! Here are some important dates this month that you do not want to miss out on:

On November 16th, our youth will be having our second annual Friendsgiving event. This is a big potluck that we host in the youth room for all of the youth and parents in our program. We ask each youth or family to bring in one dish of their choice. After everyone has arrived with their dish, we all stack our plates up with food and have a thanksgiving-style meal at long, family-like table in the youth room. Last year was a huge success and I hope this year will be just as good! That will be from 5:30-7:30pm in the youth room on Wednesday, November 16th.

The following Wednesday, November 23rd, we will not be meeting due to Thanksgiving break. And the week after that, Wednesday, November 30th, is our Christmas Celebration. We will be decorating our Christmas tree, celebrating, playing games, and most importantly: wrapping gifts and working on our Christmas project!! We need all the youth we can get for help!

It has been an awesome year and I know that there will be many more great memories made before it ends! Thanks as always to everyone in this church who supports our youth. Many of you support through prayers, and some through giving and service. Please don't forget how valuable that is to our program and how much the youth and youth committee appreciate what you do!!!

If you have any questions, comments, or concerns dealing with FUMC Youth, please feel free to reach out through email at [fumcrestviewyouth@gmail.com](mailto:fumcrestviewyouth@gmail.com).

### **Adult & Family Ministry**

We're looking for a few good shepherds that love sharing the Good News with others!

If leading Small Groups is your jam (or you think it might be!) give us a heads up and we'll get you started. There are SO MANY good studies out there and our winter program will kick off Wed, Jan 11, so we've got lots of time to prepare.

### **Benevolence Ministry News / Christmas Program**

#### **Living Our Faith Through Benevolence**

Please join us at the community dinner on **November 9**, to see how you can help share the love of Christ with others in our community during the holiday season. Many people are struggling to make ends meet with the recent increases in the costs of food, gas, and utilities and could use some extra assistance to brighten up their Christmas.

Our angel tree will also be up at the dinner. It will have

a few new types of angels on it this year. In addition to reaching out to offer assistance to some families with Christmas gifts for their children, we are hoping to help brighten the holidays for church family members who are home bound or living in assisted care facilities. Tags for these angels will be available on the angel tree at the community dinner. If you or your Sunday school class or small group would like to share your blessings by adopting a child or a home bound senior for Christmas through our Benevolence Ministry, please contact the front office at 850- 682-2018. You can assist by purchasing gifts or by making a donation that the Benevolence Ministry will use to purchase gifts. It's a beautiful way to share the love of Christ this Christmas!

If your family needs assistance, or if you know of a family in our church who needs help, please contact the church office.

This year we will also have a reverse advent calendar available to pick up at the CommUNITY dinner. Come find out what it is and how you can use it to help people right here in your community via the Benevolence Ministry pantry. If you miss the dinner, the calendars will also be available to pick up at the church services and in the church office. The Reverse Advent Calendar collection will take place from Christmas to Epiphany Sunday, Jan 8, when we will have a special blessing at all three services for items donated.

Thank you for your generosity.

*-Your Benevolence Team,*

*Vicky Anchor, Margaret Larson, Kristen Sallberg and Peg Harkness*

### **Soup Kitchen News**

The FUMC SOUPers have been busy creating homecooked meals for our community in need. The numbers of those in need have been going up steadily. With the colder months ahead of us, these warm nutritious meals are being consumed with huge gratitude. Meals are supplemented with delicious bread and dessert donations from local businesses.

Santa and the elves have been serving new recipes to mix it up with the tried and true, loved traditions.

ALL of YOU, with GOD's grace allow this mission to continue. PLEASE carry on your support of this Mission to serve our community. Along with increased people in need, food, water, and container costs have increased 40%, despite our frugal measures.

## **We Thank Thee**

For flowers that bloom about our feet, Father, we thank Thee. For tender grass so fresh, so sweet, Father, we thank Thee. For the song of bird and hum of bee, for all things fair we hear or see, Father in heaven, we thank Thee. For blue of stream and blue of sky, Father, we thank Thee. For pleasant shade of branches high, Father, we thank Thee. For fragrant air and cooling breeze, for beauty of the blooming trees, Father in heaven, we thank Thee.

For this new morning with its light, Father, we thank Thee. For rest and shelter of the night, Father, we thank Thee for health and food, for love and friends, for everything Thy goodness sends, Father in heaven, we thank Thee.
